Previous performers of the Chapel do not need to send in a demo. If available, please include any written referrals from places this ministry has previously performed.

The Crossroads Chapel Programming Team reserves all rights to review and approve or disapprove all demo tapes and ministries submitted to the Crossroads Ministries office.

Chapel Equipment

It is our desire to provide for your use the following equipment:

- * Digital piano-88 key, weighted action
- * Direct box for guitars
- * Sound system (operated by a Chapel sound technician)
- * Drum set
- * Microphones and music stands

What other equipment would you bring to the Chapel? _____

We typically have a half hour between performances. For your set-up time, our sound technicians will be there to set up microphones and direct boxes. They will do a sound check with you.
